

## CAUSEWAY RE-IMAGINES MONEY

CAUSEWAY IS A COLLABORATIVE PROJECT ON SOCIAL FINANCE ANCHORED WITH Social Innovation Generation (SiG) National. Causeway invites people to re-imagine money with a goal to fast-track Canada's adoption of social finance and focus on sustainable social and economic change.

SiG is a national collaboration between MaRS, the University of Waterloo, J.W. McConnell Family Foundation and PLAN Institute. The SiG partnership explores new ideas that work to solve Canada's social and ecological challenges, while providing support for social innovators.
